Chandler special events Details at Chandleraz.gov/events :

Friday, Oct 25th, 5:30-8:30, Halloween Spooktacular

[Halloween Spooktacular | City of Chandler](#)

Many other fall events such as Pumpkin Dunk, Parade of Lights, Tumbleweed Tree Lighting, Woofstock, Diwali Festival of Lights. See city website.

Reminders from the City of Chandler regarding trash pickup:

Container Placement

To ensure your service is not interrupted:

- Place container with wheels against the curb by 6 a.m. on your scheduled collection day, or as early as 6 p.m. the evening before.
- Make sure your cans are not overweight or items aren't sticking out of the container. Container lids should be completely closed.
- Space your container at least three (3) feet from another container and six (6) feet from permanent structures such as mailboxes, street signs or light poles.
- Remove your container from the curb by 9 a.m. on the day after collection.

Broken Containers

Trash and recycling containers with cracked or missing lids, handles, wheels or bodies are considered broken containers. Call Solid Waste Services at 480-782-3510 or fill out a Damaged Container Repair Form to schedule a "house call" and we'll have your container back on its wheels in no time.

Clean Containers

It is the responsibility of residents to keep their trash and recycling containers clean. Spray, clean and rinse containers occasionally to reduce odors and dirty, grimy build-up.

Pizza Party held at Peter Piper Pizza on Saturday June 15th

Community Yard Sale on October 19th
